II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

Vehicle Record Report

Re: Criminal and Civil claim pursuant 18 USC 241-241; 18 USC 1506,2071,2073; and 18 USC 2340a.
Technician: Printed 7/11/2024 9:26:41 PM

Dear U.S Federal Court,

I am writing to file a claim pursuant to the provisions of 18 USC 241-242; 18 USC 150,2071,2073; and 18 USC 2340a. The violations have occurred in connection with actions taken by Judge Valerie Snyder, of: Emmet County, Michigan, Probate "Court".

I allege that Valerie Snyder has repeatedly issued unlawful orders that violate due process rights guaranteed under the U.S. Constitution. These violations include but are not limited to:

- 1) Failure to provide independent psychological evaluation.
- 2) Denial of Jury trials, and the right to present witnesses and evidence.
- 3) Issuance of "orders" in the absence of the Plaintiff from the courtroom, with falsification of public records to indicate presence.
- 4) False statements by "prosecutors" in statements of their petitions; Including fictitious claims of engagement in a standoff with law enforcement.
- 5) Labeling the plaintiff as special education and incompetent without proper basis or evaluation.
- 6) Ignoring motions for recusal, presence at hearings, and Jury trials.
- 7) Proceeding with hearings in absence of the plaintiff.
- 8) Reliance on "Dr" Blake who has never met, or evaluated the plaintiff.

These actions by "Judge" Snyder constitute violations of Due Process Rights, falsification of public records, deprivation of rights under the color of law, and Human Rights violations including Torture as defined under International Law.

Furthermore, the plaintiff has suffered physical harm, including surgical assault resulting in blindness and has been subjected to Gaslighting, Torture, and False medication orders.

In light of the egregious violations outlined above, I seek relief from this Honorable Court, including but not limited to:

- 1) Setting aside orders issued without due process.
- 2) Recusal of "Judge" Snyder from further involvement in this matter.

- 3) Granting motions for presence at hearings and Jury trials.
- 4) Compensation for damages suffered as a result of defendants actions.
- 5) Any other relief deemed just and proper by this Honorable court.

I hereby affirm that the statements made herein are true and correct to the best of my knowledge, information, and belief.

Thank you for your attention to this matter. I look forward to a prompt resolution.

Sincerely,

Michael-James:Krusell

I have had all my rights denied, and tortured according to the: International Law definition 18 USC 2340a. University of Michigan, gaslights and says I was never in their normal hospital, only the psych. Wing of hospital. My dad forced me to sign my name to 23&Me DNA test. I signed UCC 1-308 under duress: this is NOT a valid signature in any lawful courts. I have seen the results on Douglas Krusells' email account. The results confirmed that I have celiacs disease, and confirmed cousin Margie Krussell. Now the email is gone from Doug(dad)s' account, and 23&Me says they have no record of doing business with Douglas Krusell, or, Myself; no record of my DNA. There are public records from CMH claiming I'm delusional over belief that I'm blind in my eye. The "Prosecutors" have falsified public records claiming I engaged in a standoff with law enforcement.

The gaslighting is ironic since Petoskey is the "GASLIGHT DISTRICT"; Either way I'm lit and over the gaslighting!

Thanks in advance. I appreciate your time and concern regarding defending basic fundamentals of all Free, and Civil societies.
